

25th Anniversary Sectional Walker – additional booking conditions

It is strongly recommended that people make their own individual bookings.

Cancellations, transfers and exchanges

Please understand that registrations are non-refundable. This cancellation policy will apply despite the most compelling circumstances.

If you wish to transfer to another 25th Anniversary Walk section, you may do so until April 30 without loss of your registration fee provided there is availability.

A transfer fee of \$20 will be charged. An extra charge will be made if the value is greater than for the original section. Any credit (voucher) for transferring to a section of a lesser value will only be considered if your original place is filled. After April 30, transfers will be considered as a cancellation. Transfer to, or exchange for, other events, tours or products is not permitted.

Transfer of your place to another person is not permitted without prior approval from the Foundation. In making a booking, you must be the person participating. If you are also making a booking for another person, it is incumbent on you to avail them of all the information and conditions associated with the event and provide their contact details to us. This walk cannot be paid for using credit vouchers from events unrelated to the 25th Anniversary or credits from other products.

Please see the general booking conditions [here](#).

Given that this is a prestigious event with likely high demand for placements, people must have sufficient notice for booking time off work, physical preparation, gear and food preparation, a high level of commitment is required by participants and applicants must take reasonable steps to ensure they are able to fulfil all obligations before registering, including attendance at the required briefings.

Leaving the walk after commencement

Note that if for whatever reason, you leave the group after the walk has commenced, you may not transfer your place to another person nor will you be refunded or credited for any remaining portion of the walk. If you leave the walk and wish to re-join later, the decision to accept you back will be made by the walk leader.

Delay or alteration of walk itinerary

Prior to the start of the walk, the BTF reserves the right to delay or alter any part of the event due to circumstances beyond the control of the Foundation including, but not limited to, dangerous weather or Track conditions, or the inability of a contractor to fulfil any obligations. If the event has already commenced and the walk is altered or delayed, no refunds (in whole or in part) or any payment will be made by the Foundation for any cost incurred by the participant.

Insurance

Current comprehensive travel insurance is highly recommended, especially for those traveling from outside WA. In the very unlikely circumstance that the event is cancelled costs incurred such as airfares, transport and accommodation will not be recompensed by the Bibbulmun Track Foundation.

Declaration

In making a booking you (and anyone you are making a booking for) understand that the 25th Anniversary Bibbulmun Walk 2023, is a group activity and you agree to abide by the decisions of the walk leader. If you do not participate, or if you decide to leave the group for any reason, you understand that you are not liable for recompense or recoup of fees and will hold the event organisers free from any liability which may arise from any departure from the group.

You agree that you (and anyone you are making a booking for) have taken all reasonable steps to ensure that you are able to fulfil all obligations, including attendance at the required briefing(s).
