Head for the Hills

Located just 45 minutes from the Perth CBD, the Perth Hills are home to historic towns, beautiful jarrah and marri forests, and the Bibbulmun Track’s Northern Terminus - making it the perfect place for a two-day Track adventure.

Each day of this trip includes a scenic day walk on the Track, as well as stops at interesting sights and attractions in the region.

Whether you complete the full trip or just a day walk, this itinerary will help you to explore some of the highlights of the Bibbulmun Track and Perth Hills.

The Perth Hills offer plenty to see and do
Day One - Mundaring Weir

Morning
Take Great Eastern Highway to Mundaring, where you could stop for breakfast or grab a coffee. From there it’s a 10 minute drive along Mundaring Weir Road to the Perth Hills Discovery Centre where you’ll find toilets and an information centre (open weekdays only). Look for the Bibbulmun Track signs heading north towards Mundaring Weir to begin your walk.

Afternoon
On the way back from your walk, visit the No. 1 Pumping Station at the base of the dam wall where you can learn about the history and controversy of the construction of the Weir and its pipeline, which transports water all the way to Kalgoorlie (entry fees apply).

Drive 20 minutes along Mundaring Weir Road to the charming town of Kalamunda where you’ll find the Northern Terminus of the Bibbulmun Track. Check out the Zig Zag Cultural Centre for handy information on nearby attractions and to see impressive works from local artists. Next door you’ll find the Kalamunda History Village, where you can get a glimpse into life in the hills during the 1890s.

Alternatively, take a drive around the Carmel and Bickley Valley region and sample the wares of local orchards, wineries, and cideries.

Day Walk One: Perth Hills Discovery Centre to Golden View Lookout

Distance: 12.4km return
Difficulty: Grade 3
Time: Half day
Starting point: Walk toward the amphitheatre surrounded by the buildings. Keeping the animal enclosure on your left and amphitheatre on your right, follow the trail markers.

Beginning from the Perth Hills Discovery Centre, this return walk leads you through the beautiful jarrah forest of Beelu National Park, across the dam wall and up to the Golden View Lookout for a fantastic view over Mundaring Weir and Lake CY O’Connor.

This section of the Track also passes the historic Mundaring Weir Hotel, where you can enjoy a delicious pub lunch and a drink or two in the beautiful gardens. (For a shorter 8km walk, start and finish at the hotel.)

Evening
There are plenty of accommodation options to choose from in the Perth Hills, from historic hotels and B&Bs, to self-contained chalets and eco-spas. For a real hills forest experience, you can even camp at the Perth Hills Discovery Centre - the starting point of today’s walk. Check out our website to find Walker Friendly Business.
Day Two - Mount Cooke

Morning
You’ll need a full day to complete today’s walk, so be sure to set off early! Take Albany Highway to the Sullivan Rock picnic area, which is about 9.5km south of the turn-off for Jarrahdale Road. At the picnic site, when it’s safe, cross the highway and follow the Bibbulmun Track signs to begin the walk.

Day Walk Two: Sullivan Rock to Mount Cooke

Distance: 16.5km return
Difficulty: Grade 4
Time: Full day
Starting point: Opposite the Sullivan Rock picnic area, which is about 9km south of the Jarrahdale Road turnoff. Watch for the hiker warning traffic signs as well as an orange Bibbulmun Track sign on the left with the picnic area opposite on the right.

This section of the Track takes you to the peak of Mount Cooke, which is the highest point in the Darling Range (582 metres above sea level). On your way up, you’ll cross Sullivan Rock, a mossy granite outcrop; pass through sheoak, banksia and jarrah forest and weave around huge boulders. Along the way, a walkers’ campsite offers a shady spot for a break before the big climb. Once you reach the summit of Mount Cooke, your hard work will be rewarded with fantastic views over the Darling Ranges and beyond.

Afternoon
Once you’ve completed your walk, return up Albany Highway to make your way back to Perth. If it’s not too late, turn right onto Canning Dam Road and pop into Araluen Botanic Park to enjoy a stroll amongst the park’s beautiful waterfalls, creeks and beautiful landscaped gardens.

Alternatively, continue your drive south and explore more of the Bibbulmun Track with one of our other itineraries.

Along the Track

The yellow Waugal trail markers clearly show the way along the Bibbulmun Track. The Waugal, or Rainbow Serpent, is an important spirit from the Aboriginal Dreamtime responsible for the creation of the rivers, waterways and landforms around WA’s South West.

Tread Softly

The Bibbulmun Track will lead you through some of the most beautiful and pristine landscapes in the South West, and we ask all walkers to respect the natural and cultural heritage of the area.

While exploring the Track, please follow the seven Leave No Trace Principles:

1. Plan ahead and prepare.
2. Travel and camp on durable surfaces.
3. Dispose of waste properly.
4. Leave what you find.
5. Minimise campfire impacts.
6. Respect wildlife.
7. Be considerate of other walkers.

In other words, please leave the Track in better condition than you found it. That way we can make sure that you and others can enjoy the beauty of the Bibbulmun Track now and in the future.

Please note that dogs are not permitted in National Parks. They should be restrained on a leash in State Forests, around the town and in local parks.
