Day Walks

SOCIAL SUNDAY WALKS
The perfect way to meet other members. Led by our fully trained volunteers, these social day walks range from an easy stroll to a challenging trek, so there's something for everyone. Held on most Sundays throughout the bushwalking season, all dates can be found online one month before the date of the walk and can be booked after that or in our membership magazine, Bibbulmun News. Walks are free for BTF members (check out the website for information on how to join) or just \$20 for non-members.

STAR TREK
This walk, as well as the Moon Walk, is held once a year. Come along for an adult's night walk along the Bibbulmun Track. Learn how to develop your night vision, navigate the Bibbulmun Track in the dark and see the stars from a large rocky outcrop without the pollution of our city lights. Our walk (9km return) starts as the sun begins to set and is an easy pace through mixed jarrah forest with some uneven terrain. Participants need to be reasonably fit, have had some previous Bibbulmun Track experience and be confident walkers (i.e. confident with their footfall). Don't forget your glass of red to enjoy up on the rock. 1 1/4 hr from Perth. BYO food and beverages.

MOON WALK
Unwind on a serene warm evening by the light of a full moon. Join us on a casual 9km return walk through beautiful mixed jarrah forest to a large granite outcrop, the perfect location to enjoy a picnic, a glass of wine and watch the setting sun and the rising full moon. You'll be walking back by the light of the moon on some uneven terrain, so you need to be reasonably fit, have had some previous Bibbulmun Track experience and be confident with walking in the dark with a torch. 1 1/4 hr from Perth. BYO food and beverages.

POETRY OF A MAD AXEMAN
If you have heard Jim Freeman recite his colloquial and colourful poetry before, you will know that it reflects communal attitudes and traditional Australian culture, whilst giving inspiration and at times making you laugh. Bush poetry has been instrumental in the emergence and development of the Australian identity. Join Jim, aka the Mad Axeman, on a 5km return walk for a relaxing summer afternoon/evening with a glass of wine and the setting sun in the forest as he recites his own poetry of the Bibbulmun Track and many well-known bush favourites. 1hr from Perth. BYO supper and beverages.

Camp out (vehicle based camping) on both Friday and Saturday night and be prepared to walk around 20km over the entire weekend - but with only a small daypack.
