## Albany to Denmark

October 8th – 14th, 2017

7 day tour, 5 days walking

Thank you for enquiring about our Town-to-Town Tours on the Bibbulmun Track.

The Bibbulmun Track Foundation is a not-for-profit, community-based organisation established to provide support for the management, maintenance and marketing of the Bibbulmun Track. We have been conducting guided walks on the Bibbulmun Track since 1997 and are pleased to be able to offer this extended itinerary as an alternative to our Best of the Bibbulmun Tours.

The Foundation manages over 300 volunteers who each 'own' a section of Track assisting the Department of Parks and Wildlife to maintain the Track and facilities to world-class standards.

The Foundation is self-funded and all proceeds from this trip support the ongoing sustainability of the Bibbulmun Track.

### **The Bibbulmun Track**

The Bibbulmun Track in Western Australia is one of the world's great long-distance walk trails, stretching 1000kms from Kalamunda in the Perth Hills to Albany on the south coast. The Track passes through some of the most beautiful and peaceful coastal, forest and rural areas of Australia's south west. Over the years the Bibbulmun Track has won several WA and National Tourism Awards.

Along the Track, 49 campsites each provide a three-sided wooden sleeping shelter, tent sites, pit toilet, picnic table and water tank.

### **About the tour**

This tour is operated by the Bibbulmun Track Foundation in conjunction with local partners. The walk offers the most wonderful coastal scenery on the Bibbulmun Track! It is a fairly easy walk, with distances between 13km and 19km per day. There are some steep sections and some beach walking though, so we recommend that you do some training first. This is a fabulous and relaxing week, with time on some afternoons to enjoy the beautiful town of Denmark or have a swim at some incredible local beaches.

By carrying only a daypack, people with a moderate level of fitness will be able to complete the walk. Preparation will make the experience all the more enjoyable. Excellent food, comfortable accommodation and knowledgeable guides will complement your trip.

The maximum number of walkers is 13.

## **Inclusions**

## **Itinerary**

A guide will accompany you on each day's walk. The total distance is approximately 80km. Each day we will resume the walk from where we finished the previous day. The following plan may alter depending on local conditions and weather.

### **Day 1: Drive Perth to Denmark + 4.5km walk**

Starting with either a pick up in Fremantle at 8am or Perth at 8:30am, we will make our way down to Denmark, stopping for morning tea and lunch along the way. Arriving in Denmark mid- afternoon, we will have a 4km to 5km walk around Denmark to stretch the legs before heading to our accommodation at the Cove. Once settled in, enjoy a stroll around the forested property or a wine on the balcony before dinner.

### **Day 2: Albany to Wind Farm 15km**

We start in Albany at the Southern Terminus of the Bibbulmun Track. After a stroll through the streets of Albany we follow Frenchman's Bay before walking to the top of the ridge where we will have views back towards Albany. Then it's over the hill to view the ocean and a fairly easy walk along the cliff-top to the wind farm. Views from here are spectacular!

### **Day 3: Sand Patch Rd to Mutton Bird Rd 13km**

We are treated to more beautiful coastline today as well as some inland views. We'll walk along the stunning wind farm to finish at an interesting coastal bay with views of Shelter Island – a great place for a swim.

#### **Day 4: Mutton Bird Rd to Shelley Beach 13km**

We start with a beach walk and then on through some interesting and varied environments. We walk through peaceful groves of trees; over granite outcrops with their sticky tail flowers and we are treated to million dollar coastal views. Our walk ends at Shelley Beach where we might glimpse a hang glider soaring above the white sandy beach.

#### **Day 5: Shelley Beach to Lowlands 18km**

Today's walk is mostly within the spectacular West Cape Howe National Park. Our biggest hill of the week will have you looking back proudly and is followed by easy walking to finish at yet another pristine beach.

#### **Day 6: Lowlands to Eden Rd 19km**

Expect some great scenery today as we alternate between coastal and inland views. We will pass through the Nullaki campsite and then it's an easy walk out to the peaceful Wilson Inlet. We finish in a cosy grove alongside the Inlet and celebrate a great week's walk.

#### **Day 7: Monkey Rock walk + drive Denmark to Perth**

Before we head back to Perth today we will take a short walk up to Monkey Rock on Mt Hallowell. Savour the amazing views over the Denmark surrounds as you reflect on your achievement this week. We will be back in Perth by late afternoon.

### **Accommodation and single travellers**

The Cove, on the outskirts of Denmark, will be our home away from home for the week. The Cove is situated on 24 hectares of beautiful karri and jarrah forest, right on the Wilson Inlet. Each hand crafted chalet contains a fully equipped kitchen, lounge area, one or two bathrooms, and a washing machine.

Standard accommodation is twin share. If you are travelling solo, we will room you with a fellow solo traveller of the same sex. If you would prefer your own room, you may be able to secure a single supplement for an additional \$350 (there are limited single supplements available due to the nature of the accommodation).

### **What to bring**

We will send you a list of recommended clothing and equipment when you book, as well as some tips on how to prepare. You do not need to bring bath towels or linen. There will be some time to pick up extra supplies and beverages during the week.

### **Transport**

This tour starts and finishes in Fremantle or Perth. We will pick up guests on the morning of the tour from central location in Fremantle, then Perth CBD.
