

Town-to-Town Bibbulmun Track Tours

Walpole to Denmark

March 30th – April 7th, 2017

9 day tour, 7½ days walking

Thank you for enquiring about our Town-to-Town Tours on the Bibbulmun Track.

The Bibbulmun Track Foundation is a not-for-profit, community-based organisation established to provide support for the management, maintenance and marketing of the Bibbulmun Track. We have been conducting guided walks on the Bibbulmun Track since 1997 and are pleased to be able to offer this extended itinerary as an alternative to our Best of the Bibbulmun Tours.

The Foundation manages over 300 volunteers who each 'own' a section of Track assisting the Department of Parks and Wildlife to maintain the Track and facilities to world-class standards.

The Foundation is self-funded and all proceeds from this trip support the ongoing sustainability of the Bibbulmun Track.

The Bibbulmun Track

The Bibbulmun Track in Western Australia is one of the world's great long-distance walk trails, stretching 1000kms from Kalamunda in the Perth Hills to Albany on the south coast. The Track passes through some of the most beautiful and peaceful coastal, forest and rural areas of Australia's south west. Over the years the Bibbulmun Track has won several WA and National Tourism Awards.

Along the Track, 49 campsites each provide a three-sided wooden sleeping shelter, tent sites, pit toilet, picnic table and water tank.

About the tour

This tour is operated by the Bibbulmun Track Foundation in conjunction with local partners. It is a challenging but spectacular 125km section of the Bibbulmun Track is possibly the best seven consecutive days on the whole track! There are some steep sections and some sandy dune walking; however, you will be rewarded for your efforts with fantastic coastal scenery, brilliant wildflowers and the wonderful forest. Walking distances range from 13km to 21km per day. By carrying only a daypack, people with a moderate level of fitness should be able to complete the walk. Excellent food, comfortable accommodation and knowledgeable guides will complement your trip.

The maximum number of walkers is 13.

Itinerary

A guide will accompany you on each day's walk. Guides will carry morning tea, first aid kit, satellite phone etc. You just carry what you need for the walk. This might include water, camera, a jacket and, on some days, your lunch.

Day 1: Drive Perth to Denmark and 4.5km walk

Depart Fremantle at 7:50am or Perth CBD at 8.30am. We will stop for morning tea and lunch on the way to Denmark. A short walk to stretch the legs after our bus trip will bring us to our accommodation. Once you're settled in you can enjoy a glass of wine on the verandah or take a stroll around the forested property.

Day 2: Walpole to Tingle Forest 13km

We leave Walpole and walk through orchid country to Coalmine Beach for a view over the Nornalup Inlet. A heart-starting ascent to Hilltop Lookout and the Giant Tingle Tree rewards us with great views and amazing tingle trees, our constant companions for the rest of the day.

Day 3: Tingle Forest to Tree Top Walk 16km

Today is spent walking amongst the peaceful tall forest of karri and tingle. There are a few moderate hills, a beautiful riverside morning tea, a picnic lunch and time at the end of the day to do the award winning Tree Top Walk if you wish.

Day 4: Tree Top Walk to Conspicuous Cliffs 17km

We start the day walking through the best section of tingle forest on the whole track before leaving the big trees behind and heading for the coast. We go via Nut Lookout and through coastal heath for a delightful walk to Conspicuous Cliffs.

Day 5: Conspicuous Cliffs to Peaceful Bay 19km

A long ascent to the Rame Head Campsite gives us plenty of excuses to stop and admire the magnificent inland and coastal views. After a morning tea stop, we walk through inland heath to get back to the coast and enjoy a lovely walk, with great coastal views, into Peaceful Bay.

Day 6: Peaceful Bay to Boat Harbour 21km

An interesting day today. Vegetated dunes and an enchanting peppermint woodland bring us to the Irwin Inlet. After crossing the inlet using canoes we walk through “the Showgrounds”, comprising grassy (and hence firm!) rolling dunes. A challenging walk, with spectacular inland and coastal views, brings us to Boat Harbour – a most fantastic bay that may tempt you into its tranquil waters.

Day 7: Boat Harbour to William Bay 20km

A wonderful walk along cliff-tops this morning gives us amazing views along the coast. We’re treated to a picnic lunch before the 8km walk along Mazzoletti Beach, bringing us to Greens Pool and Elephant Rocks where you may enjoy a swim in the calm waters.

Day 8: William Bay to The Cove 18km

A strenuous but thrilling final day! First, we ascend Tower Hill and encounter some amazing granite boulders. Then it’s more ups and down through orchid country to Lights Beach. After that we have the walk up Mt Hallowell, with amazing boulder formations and spectacular views over the Denmark area and coast. Thereafter it’s a slow descent to the inlet and an easy walk along it - right back to our home for the week at The Cove!

Day 9: Denmark to Perth

Enjoy one last breakfast in the tranquil surrounds of the Cove before packing up for the drive back to Perth. Grab a coffee and some take away lunch in Denmark (own expense) and we’ll stop for lunch on the way home. We plan to be back in Perth by mid to late afternoon.

Note: There are inlet crossings involved in this walk and the ability to cross them is subject to weather and tide conditions at the time. Where necessary, there may be changes to this itinerary.

Accommodation and single travellers

The Cove, on the outskirts of Denmark, will be our home away from home for the week. The Cove is situated on 24 hectares of beautiful karri and jarrah forest, right on the Wilson Inlet. Each hand crafted chalet contains a fully equipped kitchen, lounge area, one or two bathrooms, and a washing machine. Accommodation is twin share. If you are travelling solo, we will room you with a fellow solo traveller of the same sex. Due to the limited amount of accommodation available, it is not usually possible to offer single rooms - but please ask if you’re interested.

What to bring

We will send you a list of recommended clothing and equipment when you book, as well as some tips on how to prepare. You do not need to bring bath towels or linen. There will be some time to pick up extra supplies and beverages during the week.

Food

All meals are included, with the exception of lunch on the last day. Breakfast will comprise cereal, fruit, yoghurt and toast. Lunch will sometimes be self-made from supplied breads, salads and meats; at other times the bus will bring us a picnic lunch. Each evening we offer pre-dinner nibbles and a two course home-prepared meal. Please let us know of any dietary requirements. Assistance is appreciated with clearing away and washing up.

Each day your guide will carry tea, coffee and cake/biscuits for morning tea. Fruit is also available. Feel free to bring additional snacks e.g. muesli bars, nuts, chocolate etc.

Transport

This tour starts and finishes in Fremantle or Perth. We will pick up guests on the morning of the tour from central location in Fremantle, then Perth CBD.
