

Bibbulmun Track Foundation Bibb Bytes Advertising Prospectus 2020

Feel the spirit of Australia's south west

WHY YOU SHOULD ADVERTISE WITH US

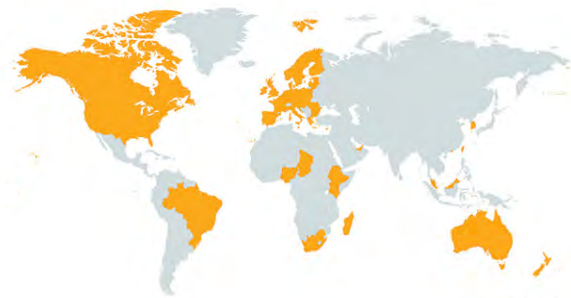

Our monthly Bibb Bytes email campaign is a targeted and cost-effective way to reach current and potential Bibbulmun Track users. These range from long-distance hikers to day walkers, trail runners and Bibbulmun Track volunteers.

Over 300,000 user days are spent on the Track each year resulting in over \$13million in direct expenditure annually. Much of this in the regional towns along the Track as walkers stay a night or two on their journey or base themselves for walks in the area.

Our newsletter contains a range of interesting articles resulting in a higher than industry average open rate which means good visibility for your ad.

Distribution

Our 12,000 subscribers are primarily from Western Australia including over 2500 BTF members and volunteers. This is good news for

you as the Track draws people to the South West time and again to walk different sections, revisit favourite hikes or even maintain 'their' piece of Track.

Word of mouth is powerful and Bibb Track hikers are quick to recommend good businesses on social media and even in the campsite registers!

The Bibbulmun Track's reputation as a world-class trail attracts more people from interstate and overseas each year. Bibb Bytes subscribers include thousands of people from around Australia as well as key hiking markets including NZ, UK, US and Germany.

WALKER FRIENDLY BUSINESS PROGRAM & AFFILIATED ORGANISATION

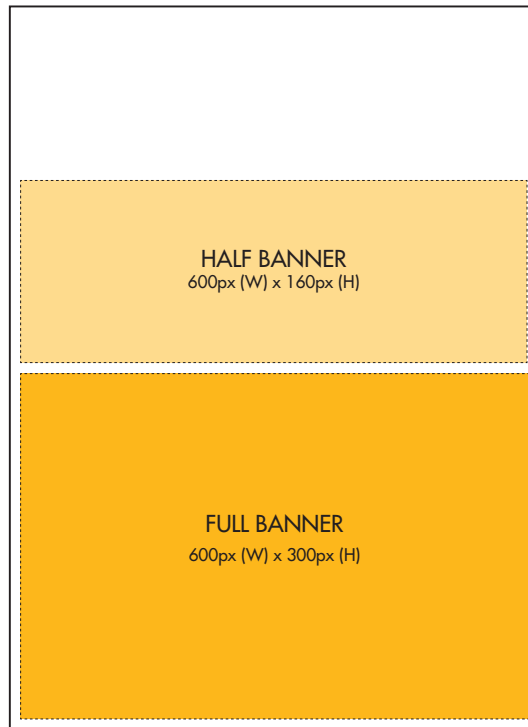

The aim of our Walker Friendly Business Program is to connect walkers with businesses along the Track which provide facilities for walkers to make their stay enjoyable and aid them on their journey.

By becoming a Walker Friendly Business, you agree to offer a range of walker friendly services at your business. In return, your business will be promoted through the Bibbulmun Track Foundation's marketing and promotional initiatives. You are also helping to maintain and protect the Track.

Affiliated members of the Bibbulmun Track Foundation are businesses who don't offer any services but still wish to support the Track as they use it or are associated in some way. AO support is an important part of assisting us to ensure that the Track remains a long distance trail of international significance and quality.
